

A

## Connect using the OCP icon (unique access key/multiple access key)

**Note:** This type of connection does not require the entry of a username or password. It allows the platform to be used in ‘Viewing’ mode only.

### Option 1: Unique access key linked to a device (e.g.: tablet, workstation)

- Click on the OCP icon that the institution’s IT department has installed on the device
  - Will open the OCP home page

### Option 2: Direct access via the institution’s intranet (multiple access key)

- Click on the OCP icon that the institution’s IT department has installed on the intranet
  - Will open the OCP home page

B

## Connect using a ‘Member’ access

1- Enter the OCP website address in the navigation bar:

<https://msi.expertise-sante.com/en>

2- Click on the ‘Log in’ icon, then select the “Log in” option

3- Fill in the fields associated with access (email and password), then click on the ‘Log in’ button to open the home page

A screenshot of a login form. It features two input fields: "Email address \*" and "Password \*". Below the email field, there is a note: "You can use your email address only to login." Below the password field, there is a note: "Enter the password that accompanies your email address." A link "Have you forgotten your password?" is located below the password field. At the bottom of the form is a blue "Log in" button.
